In my hands I hold the future.
Like coins, bright silver, copper,
I must spend the brief hours and days
of TIME.
What shall I buy?
Will it be dreams, a moment's laughter,
or swift arrows that speed to find their mark
far in the future?

PUBLIC RECEPTION ROOM

The design and floor plan of the new high school building is complete in every detail to carry out the school program in its entirety. The building structure is simple, substantial, and functional; yet in its simplicity the building is very impressive.

One of the main highlights of the building is the auditorium, designed to seat nine hundred people. Artificial plants add to the splendor of the decor in the auditorium.

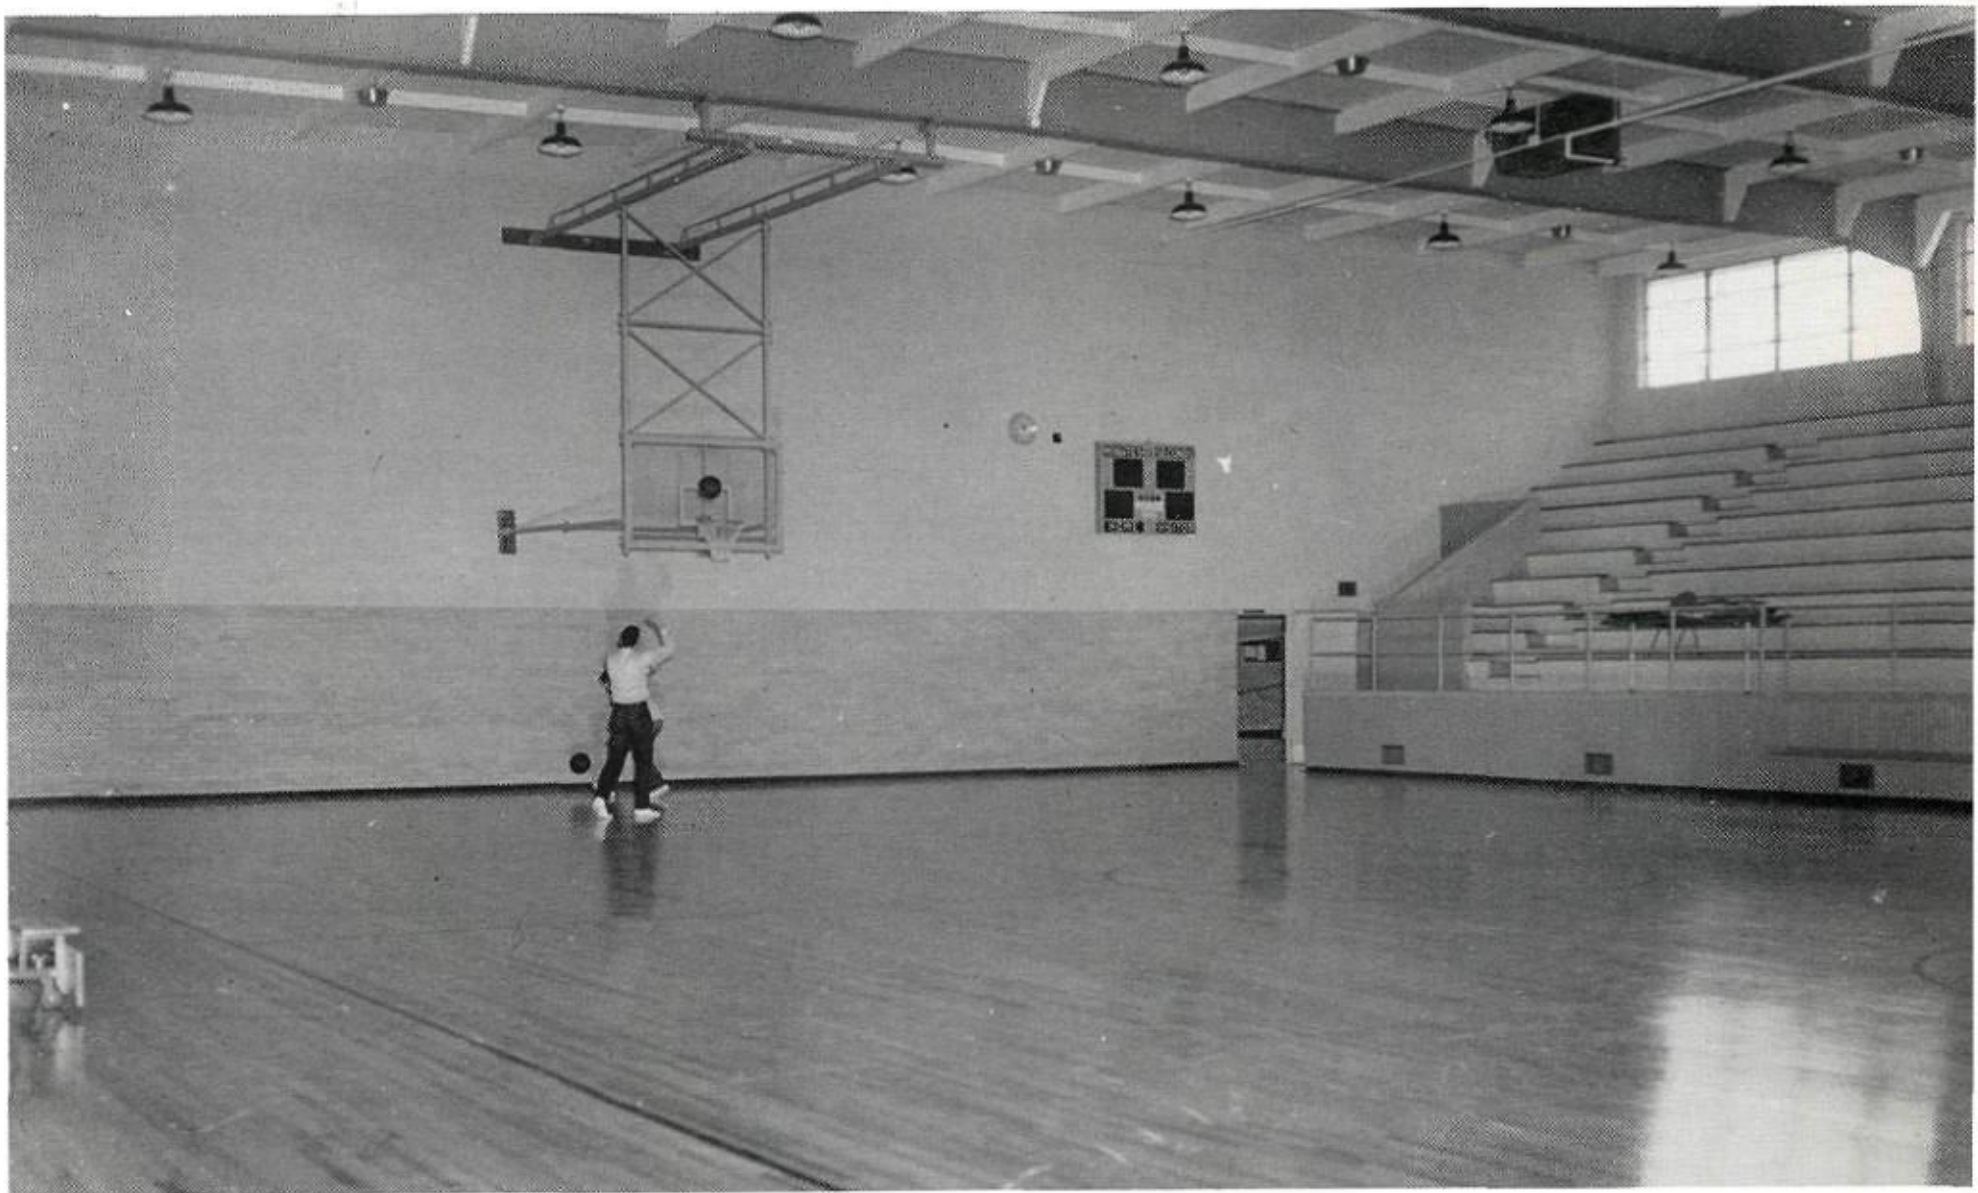

Another asset of the building is the inter-communication system which enables the administration to keep in contact with the students and teachers.

The well-equipped classrooms are characteristic of the school program to make this school a greater Gatesville High.

LIBRARY

The modern facilities of Gatesville High School classrooms offer each student an opportunity to decide for which vocation he is best suited. Each boy is given an opportunity to increase his agricultural skills in the ag department. The homemaking department affords each girl a chance to learn the techniques of sewing and cooking. All students who are interested in the field of science are enabled to advance with the aid of the efficient science laboratories. When research material, good books, or a quiet place to study are necessary, the student needs only to go to the library. The book-keeping room caters to the needs of students interested in commercial fields.

The "American Flag" was raised for the first time over the new Gatesville High School building at the Armistice Day Program.

With the raising of the flag for the first time over the Gatesville High School building, the students entered into a whirlwind of activities. The dedication ceremony, with the Senior Class acting as host to the citizens of Gatesville, launched the year's activities. The Fall Semester, highlighted by football games, was full of school spirit. Slogan posters and banners adorned the corridors. Pep rallies, street paintings, and down-town parades, with each student participating, exemplified the true spirit of GHS. The annual "Homecoming" bonfire, with the presentation of Mr. and Miss Flame, culminated all sporting activities. The festive occasion climaxing the football season was the annual Football Banquet.

The dedication of the new building fulfilled the dreams of the citizens of Coryell County.

The students patriotically stand to sing the Gatesville High School Alma Mater at a weekly pep rally.

The Senior Class of 1960 will always cherish the honor of being the first to gather for an assembly in the new auditorium.

The Football Banquet, highlighted by the presentation of the letter-jackets, added to the enjoyment of the activities.

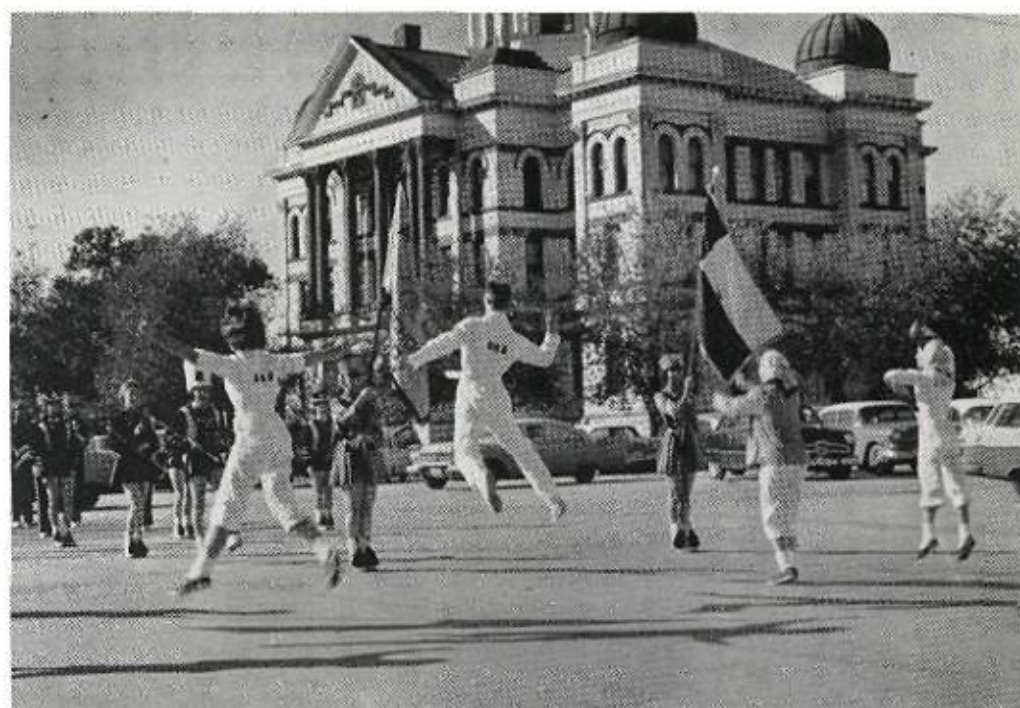

Painting the streets, a downtown snake dance, and the pep rally were each typical events held on Thursday nights for the home games.

The Thanksgiving Dance, sponsored by the FTA at the Country Club, added to the "Turkey Spirit" of GHS.

The animated spirit of GHS continued throughout the basketball season. Little time was left for studies with the excitement of Christmas parties and programs. The foyer, with a beautifully decorated tree, boosted the festive holiday spirit. The stirring program presented by the Junior Class made everyone realize the true meaning of Christmas. The holidays were a welcomed relief for the students and teachers alike. Then came the days that each student had dreaded all year—Mid-Term Examinations!

The Friday afternoon home game parades and pep rallies contributed to the spirit of GHS.

The students gathered around the "Homecoming Bonfire" to boost the football team and Homecoming Spirit.

The Yuletide spirit was exemplified by the Junior Class Christmas program.

The first basketball tournament to be held in the new gym brought many of the GHS fans.

The Senior Class won the honor of the "Mr. and Miss Valentine" contest.

In the Spring "a young man's fancy turns to love," but that was not the case for most of the students of GHS, for they were entering into many extracurricular activities. The election of each class favorite, best all-around, who's who, Mr. and Miss Valentine, sweethearts, and beaux produced enthusiasm in each class. The Band Follies, featuring a trip around the world, highlighted the band's activities. Baseball, track meets, golf, tennis, and contests kept each student in a whirl. Finally, the day arrived that Seniors had anticipated for twelve long years—graduation. As the clock of time ticks off another school year, these are the activities which each student and teacher will cherish!

The weightlifter of the *SS Hornet* demonstrates his mighty power.

The punch bowl was the center of attraction at the annual FHA Ball.

These are the times that each student

The "chorus line" for the 1960 Band Follies dressed as sailors to man the *S.S. Hornet*.

The cake walk at the Valentine program provided money for the March of Dimes.

It was a great thrill for the Seniors to don the traditional cap and gown for graduation.

Foreword

Because time plays such an important part in the life of a student at GHS, we have selected as our theme for the 1960 Crescent "Now is the Time." High School is a time for gaining knowledge, winning friends, and taking part in social activities. It is also an hour of decision and dedication to our future plans.

In the 1960 Crescent we have tried to illustrate throughout its pages how you, the students, use your time—Time of which you never seem to have enough. Time!

"We are but minutes, use us well;
For how we're used we soon must tell.
Who uses minutes has hours to use;
Who loses minutes has hours to lose."

Your Editors,

ON THE BEHALF of the student body of GHS we wish to thank the school board for their efforts toward the welfare and advancement of our school. We especially want to express our appreciation for their diligence in promoting the construction of our new school building. These men give unselfishly of their valuable time and talents to provide a sound education for the youth of our community. For these and many other invaluable services we owe our unending gratitude to the SCHOOL BOARD.

We, the Students and the Administration of Gatesville High School would like to express our humble appreciation to the donors of the gifts which enhance the beauty of our school. We are deeply grateful to those who thought enough of youth and the leaders of youth to present these gifts. We want you to accept our THANK YOU!

Dedication

MR. C. W. McCLELLAND

We, the yearbook staff of 1960, think it is only fitting that we dedicate this, the 1960 Crescent, to a person whose efforts warrant such honor. Because of his love for music, his friendliness to the students, and his congenial personality, surely no one could be more fitting and deserving to receive such a dedication than Mr. C. W. McClelland.

Personalities

A school is made up of as many personalities as there are individuals in that school; therefore it would be impossible to give honor to each and every individual. In this section the most outstanding students, those who have truly excelled, are pictured. They have been chosen for their radiating friendliness, winning smiles, enthusiastic outlook and leadership abilities. The honors that G.H.S. bestows on its students are Best All-Round Boy and Girl, Homecoming Queen, Class Favorites, Sweethearts, Beaux, and Who's Who. These personalities presented portraying courteous attitudes, good citizenship, and high scholastic standards are symbolic of the individual personality of Gatesville High School.

Who's Who

DONALD GREEN

As an outstanding science student, student council member, and Spanish club president, Donald Green has been a credit to G.H.S.

SHERRY LAWRENCE

Sherry Lawrence is not only well known for her fine academic record, but she has been active in basketball and Gens Togata.

VIRGINIA BRADFORD

Ginger was head majorette this year in the band. She was outstanding in FHA as well as excelling in academic work. Her favorite sport is tennis.

BETTY BROWN

Since she has been active in basketball, FTA, and FHA in addition to having been an outstanding student, Betty Brown makes a wise choice for Who's Who.

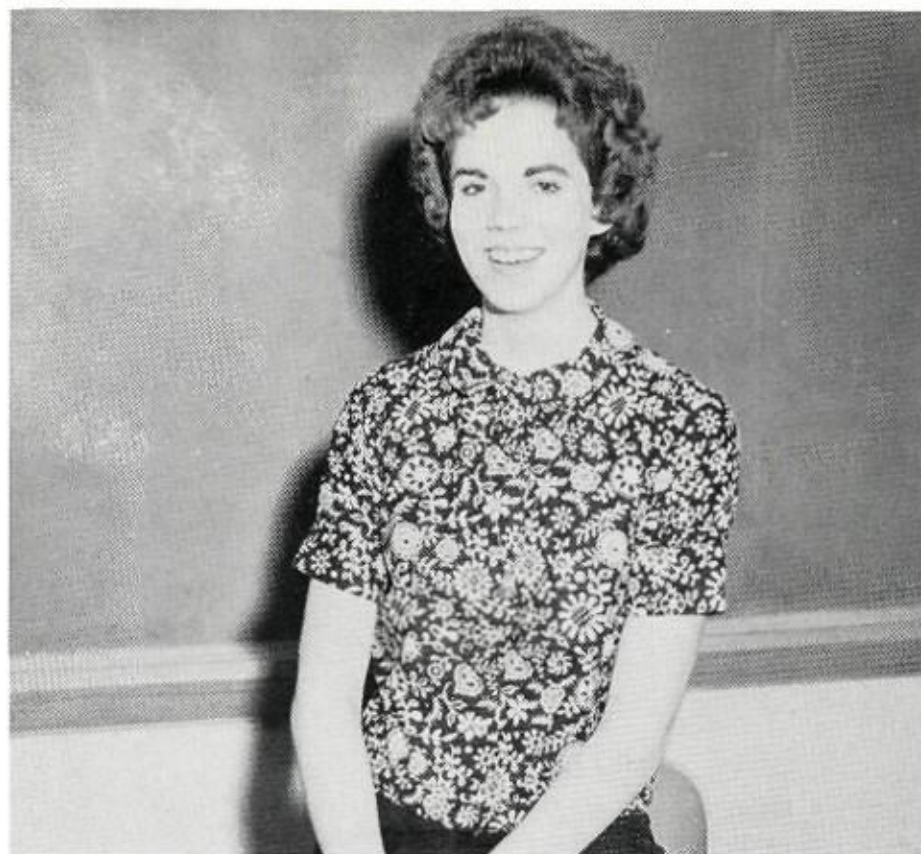

MARY JO AYRES

Mary Jo Ayres, who participates in band and FHA, is an excellent student whose scholarship achievements place her in the upper 10% of her class.

MARY CATHERINE WINSLAR

Music and Mary Catherine are synonymous as she has used her talent many times for the Hornet Band and stage band.

LINDA DORSEY

A favorite with the students, Linda has shared her many abilities with the band, FHA, basketball team, and her studies.

In electing Who's Who, the teachers and students considered these qualifications.

Organizations

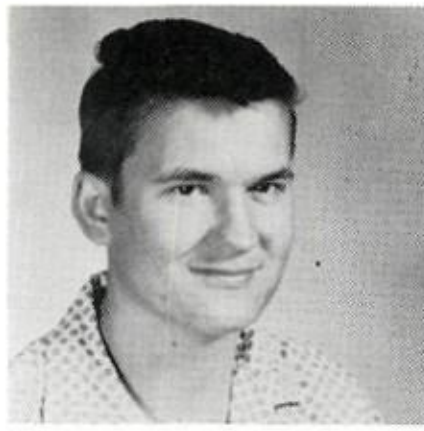

Organizations in G.H.S. play an important role in the development of the students. These organizations teach the students something they could never learn from books—cooperation with others. Clubs also place responsibility on the student and tend to develop leadership qualities. They also help to break the monotony of school life and incite interest in outside activities. The various clubs are organized with the purpose of helping a student become a well-rounded individual. All the organizations are an important part of school life at G.H.S.

HONOR, RESPECT, AND INTEGRITY are just a few of the qualities contained in a member of the Student Council. These members of the GHS council maintain high regard and respect of the students through the various services which they render to the school. Better understanding between the students and the administration is achieved by this influential organization, since each class is equally represented; and the members are free to discuss the problems of each class.

THE STUDENT COUNCIL BRINGS interest in extracurricular activities to the students as they sponsor such long anticipated festivities as Western Day, Sadie Hawkins Day, and the Homecoming pageantry. The members plan and conduct these activities which are enthusiastically supported by the student body. As an added honor this year the Student Council was in charge of the dedication of the new high school building. By the competent manner in which they carried out the program the members showed that they are truly deserving of the high position which they occupy in the smooth operation of this school.

FOR YEARS THIS organization has been a living backbone of the spirit of G.H.S. It is this organization which heralds the Hornets as they rise in pep rally to sing their fight song. It is this organization that accompanies the fans while they sing the Alma Mater. Through this organization the members learn how to cooperate as a team, not only as an organization.

TEAMWORK IS A keynote in the day-to-day activities of this organization—Teamwork between the staff of leaders in the band and those who support the band; teamwork between parent and student. At most any time teamwork in the Gatesville Hornet Band may be found.

Majorettes Lead Hornet Band

BEAUTY COMES IN numbers when Judy Sanford, Ginger Bradford, Joyce Koch, Mecca Gann, Anita Coward, and Jo Lynn Skelton head the band in march-time regalia as the "1960" Majorettes."

With patriotic and colorful banners Jeanne Cummings, Sally Marlin, and Rita Webb represent our school as the "1960 Flagbearers."

Beauty in Action

WITH A TOUCH of glamour, an explosion of vivacity, a pretty smile, and a high stepping boot, the majorettes, feature twirler, and drum major represent the Hornet Band in a spotlight of color. The duties of a majorette and drum major begin in mid-July when they attend summer twirling school. From this time until marching season in over they devote many hours of their leisure time to individual and group practice.

Around the World With the Swinging Gates

Director—MR. C. W. McCLELLAND

WHEN BASKETBALL SEASON, dances, and the Band Follies roll around one may be sure to hear from the "Swinging Gates." This popular group is present at all these occasions as well as the annual Stageband Festival in Brownwood. To a member of the "Gates" this trip and the Band Follies are the highlights of the year. This year the band has a special period devoted to their efforts and as a result a combination of talent and opportunity has brought fame and fortune. Those who have heard and seen this group will always remember "THE SWINGING GATES."

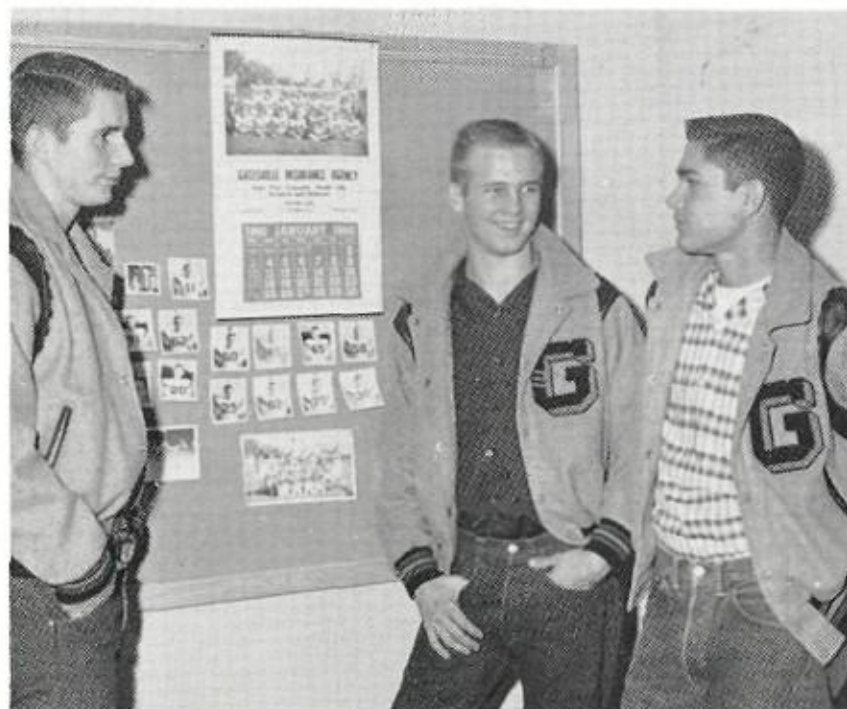

MEMBERS: George Hardcastle, Faydene Spencer, Pam Adams, Edward Schaub, Pat Sims, David Freeman, Johnny Durham, Duaine Maxwell, Bobby Kendrick, Charles Jageler, Mary Winslar, Mike Blanchard, Mimi West, Renee Dyess, and Charlie Wiggins.

The Football Banquet was accompanied by the "Gates" as they gave one of their first performances of the year.

WHAT IS NOW known as the G-CLUB originated last year when a deluge of "letterjacket wearers" swarmed the school. Club members are identified by shining black leather sleeves and swaggering gray backs. These boys are representative of the good sportsmanship, good manners, and good times which follow our athletic teams throughout their activities.

IT IS A healthy organization and every letterman is proud of his membership.

A FLASH OF color, a clap of hands, a snap of fingers, the vibrant cheerleaders of GHS give a familiar yell saluting our Hornets. This action may be found every Friday afternoon during the football season in the gym where the cheerleaders are in charge of the weekly pep rally. Again this same action will repeat itself as the group leads yells with the Hornet Band in downtown Gatesville. Before the day is over they will be seen "at it again" as they encourage spirit at the game.

THE LIBRARY STAFF assists the librarian, Mrs. Bailey, in keeping the library in order, the books properly shelved, and in supervising the circulation of books outside the library. An important duty of the library club is to promote general interest in reading. To accomplish this, eye-catching book displays and clever bulletin board arrangements are prepared weekly by the members of the club.

THESE GIRLS GIVE invaluable service as they patiently help the many reading enthusiasts and students looking for research material.

Sponsors Mr. S. L. Adams and Mr. J. O. Winslar have done a fine job with the boys.

THE FUTURE FARMERS OF AMERICA exists today in G.H.S. as a proper non-profit, non-political farm youth organization of voluntary membership. The FFA is an extra-curricular activity having its origin and root in a definite part of our school curriculum.

THROUGH THIS ORGANIZATION boys from fourteen to twenty-one years of age preparing for farming learn among other things how to conduct and take part in a public meeting; to speak in public; to buy and sell cooperatively; to solve their own problems; to finance themselves; and to assume civic responsibility. The foundation is built upon leadership, character development, sportsmanship, cooperation, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

NO NATIONAL STUDENT organization enjoys greater freedom of self-government under adult consultation and guidance than the FFA.

The workshop furnishes the boy an opportunity to prove his skills.

Initiation provides fun for everybody—even the initiates.

THE FUTURE TEACHERS was organized to acquaint students interested in teaching with facts and experiences associated with this profession. The local club members substitute for the elementary school teachers.

A HIGHLIGHT OF the year was the money-raising F.T.A. Thanksgiving Dance at the country club. The dance provided fun and entertainment as well as profit.

YEARLY DUTIES WERE undertaken as the State Convention at Denton was attended by many members. Another yearly duty was the presentation of a nominee for regional Mr. and Miss F.T.A. Miss Margie Sims, a Senior member of the club, placed second in the contest at Mexia.

THE FUTURE OF America lies in the hands of the members of the F.T.A.—the club full of future.

THE FUTURE NURSES' CLUB was organized out of the express desire of girls who wanted to learn more about a future career in nursing. Since organized three years ago, the club has progressed rapidly. During the time that it has been organized a tour of the local hospital and open discussions with local doctors and nurses have been made. The director and a nurse from a neighboring school of nursing also talked to the group and gave valuable information. Leaflets were distributed among the girls for their use.

AS YET A charter has not been secured, but the chapter is attempting to reach this goal this year.

FHA—A Club With a Purpose

TO MOST OF the members of the FHA, the privilege of belonging to this organization is a chance for a better life—a better life today and tomorrow. The FHA member gets out of FHA exactly what she puts into it. She is exposed to parliamentary procedure at the monthly meetings, the district and area meetings, and the state conventions. The business-like manner which accompanies these meetings may be met with enjoyment or boredom. It all depends on the attitude of the individual. To the girls belonging to the organization, the chapter offers different means of developing self-assurance and the ability to get along with others. Truly, the organization is a key to a chance for a better life.

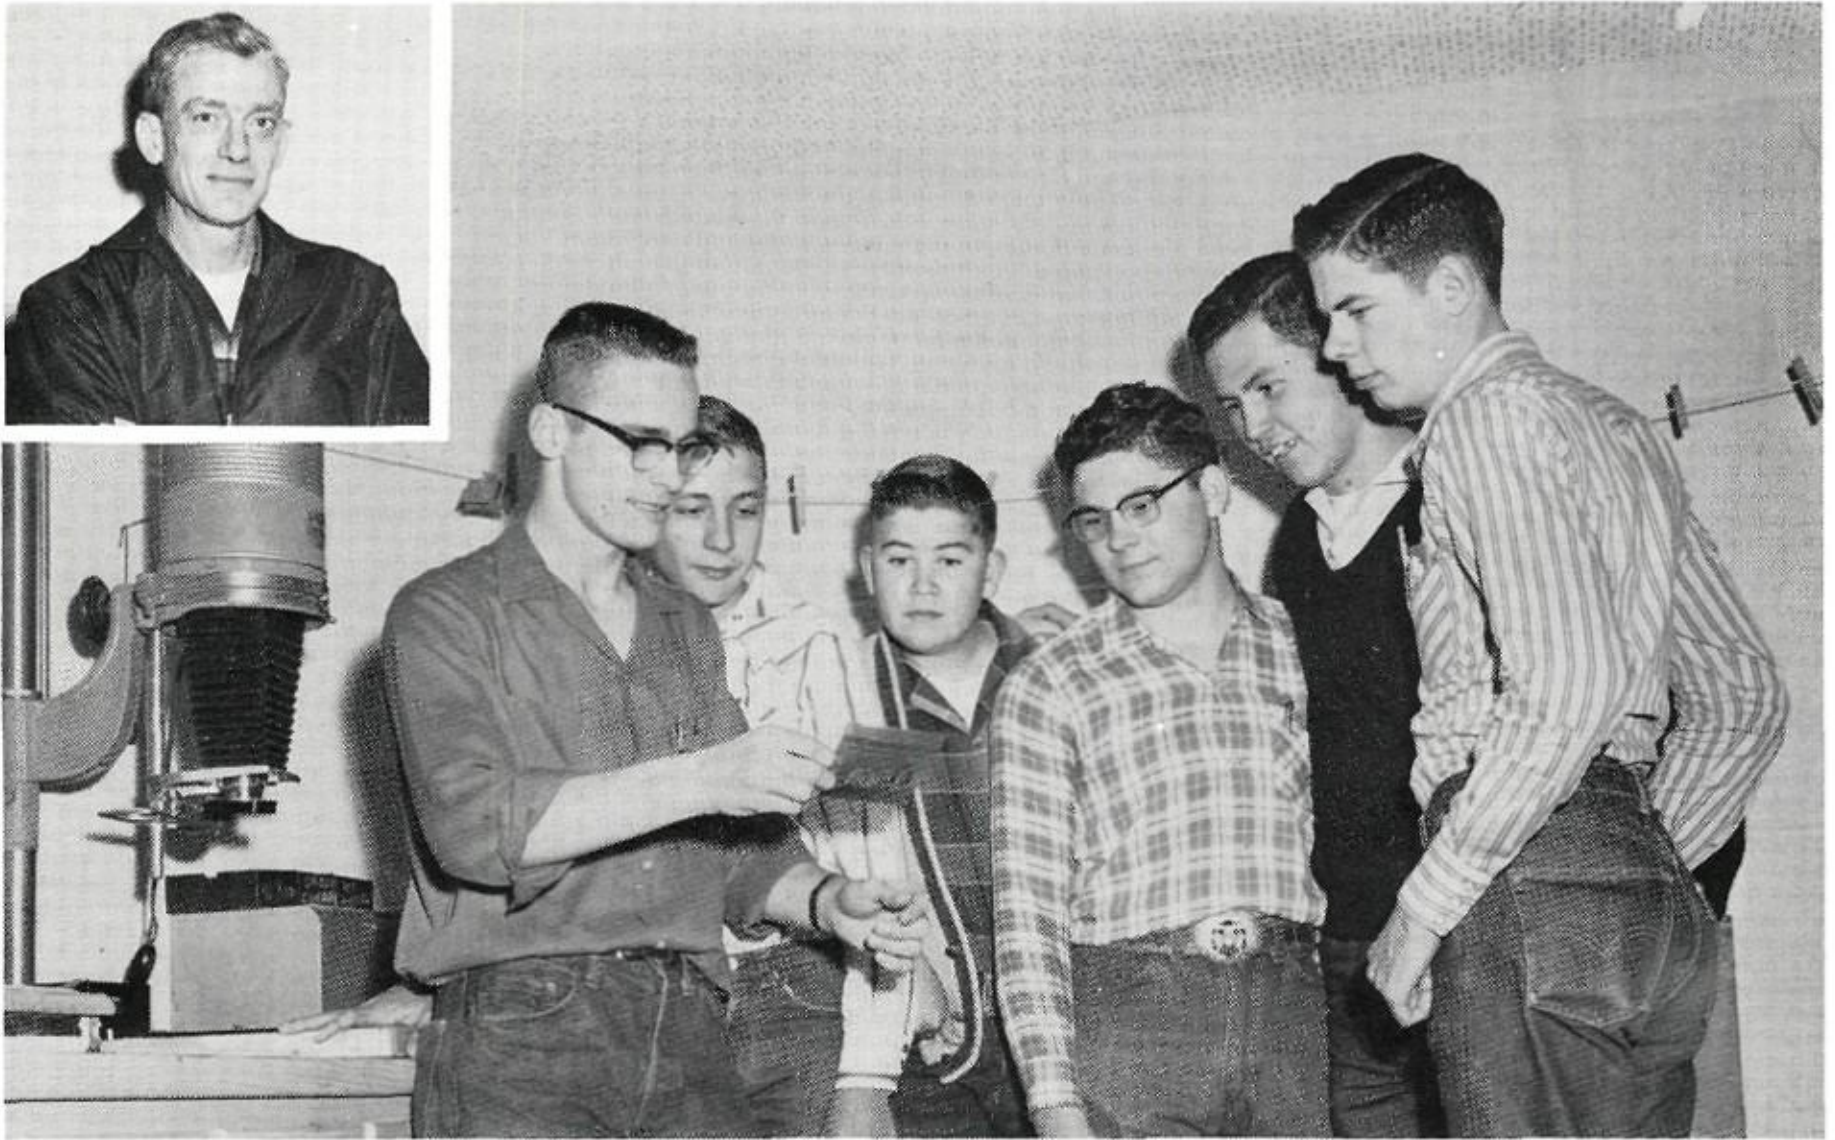

Charlie Wiggins and Mary Lynn Galbraith are demonstrating an attractive arrangements of gifts.

Photo Club Helps to Preserve Memories

UNDER THE LEADERSHIP OF Mr. Prince the Photography Club members James Pfeffer, Dickie Moreland, Sam Huey, Troy Johnson, Joe Jones, and Charles Fisher turn out the preserved memories for the school.

"HOLD IT . . . I THINK you're going to like this picture." At least this hard working member of the Photo Club hopes so, for he knows only too well how tiring those retakes are. In addition to retakes there are the routing duties—developing the negatives, making prints, and mixing the chemicals for the developing solutions. These technical abilities—along with the art of getting along with Mrs. Bates and her Annual Staff girls—are just a few of the talents required of a Photography Club member. Without the Photography Club there would be no annual, no chance to skip class, and no way to preserve our memories; so long live the Photography Club.

Pride and satisfaction are two rewards of an active membership.

James Pfeffer can expertly demonstrate his abilities at the enlarger to his colleagues.

New Faces, New Places, for Hornets' Nest

Student Council news must make the paper and these members are going to make sure it does.

ONE OF THE MOST FREQUENT CRIES of a Hornets' Nest member is "Do you have any news?" Weekly these members may be found throughout the school compiling news items concerning the students and school activities of GHS which will be published in the Hornets' Nest's individual section in the *Gatesville Messenger*.

THIS SECTION IS OUR FIRST OPPORTUNITY to publish a paper about our school activities that may be read and enjoyed by the general public as well as the students.

A STUDENT BELONGING TO THE HORNETS' Nest becomes acquainted with the difficulties of compiling and publishing a newspaper—such things as meeting a dead-line, writing clear, concise reports, and contending with the problems of a "newsless" week. Patience, determination, a will to please, and a sponsor to appease—these are the "earmarks" of a Hornets' Nest member.

Research and responsibility are just two of the tasks a member must undertake.

These staff members, Martha Baker, Margaret Mack, Rita Webb, and Phyllis White, find their job to be a combination of pleasure and work. Mrs. S. L. Adams has proved to be a worthy sponsor as this is her first year as sponsor of the Hornet's Nest Staff.

Officers: MIKE PATTERSON, sergeant-at-arms; ODIS NICHOLD, reporter; PATSY QUICKSALL, pianist; DARLA BLUM, secretary; SHERRY LAWRENCE, president; WALLACE SNODDY, vice-president; PATSY SCHITOSKEY, treasurer; Members: Ayres, Morgan, Conway, McClellan, Rhoads, Scott, Powell, Wright, Lipsey, Murray, Petree, Parker, Sanders, Day, Hodge, Scott, King, Galbraith, Morse, Grunnell, Roach, Shepherd, Bernard, Floyd, Davis, Ray, Pfeffer, Brown, Yows, Zeigler, Nesbitt, Henslar, Chambers, Dyess.

Gens Togata Observes Latin Week

These "slaves" are earning their freedom by performing a stunt at the Gens Togata initiation.

ANCIENT ROME WITH its influential customs, its famous statesmen, and its ambitious spirit is brought to life by the appreciative members of the Gens Togata. The monthly meetings of this nationally affiliated chapter of the Junior Classical League are characterized by entertaining and informative reports and gay Latin songs presented by the members.

THE ACTIVITIES OF the Gens Togata are highlighted by the observance of Latin Week. During this week the members, clad in Roman togas, spread interest in Latin throughout the school.

President DONALD GREEN, Secretary PHYLLIS WHITE, Vice-President SANDRA GANN, and Treasurer DAVID BONE are the officers of the Spanish Club. Mrs. Helen Hopkins is the sponsor. Members are Johnson, Cohagan, Forrest, Barnard, Waddill, MacDonald, Marshall, Kinsey, Stover, Ayres, McBride, Meadows, Parker, Charles, Phillips, Martin, Gilckrest, and Skelton.

El Circulo Espanol Adopts Title

The celebrating Spanish Club awaits eagerly the results of Jerry Gilchrest's blow to the pinata. This is a yearly occurrence in the club's activities.

The G.H.S. SPANISH CLUB devotes its activities to transplanting the enchantment and charm of Old World Spain in America. A traditional Spanish Christmas is portrayed at the club's Christmas party. The challenging pinata becomes the main attraction when one of the members is blindfolded, and he attempts to break the tantalizing receptacle of candy and prizes.

MOVIES, REPORTS, AND SPANISH songs all play an important part in the regular club meeting. These supplement the regular classroom lessons as well as adding interest to the club meetings.

THE JUNIOR MEMBER SALESWOMEN are: Mimi West, Nancy Brown, Peggy Blanchard, Ladell Bartlett, Glenda Marshall, Linda Little.

Deadlines, Headlines Absorb Crescent Staff

Editor Linda Dorsey and Assistant Editor Carla Blum worked hard and proved to be efficient at their job of editing the Crescent.

Business managers Donald Green, Barbara Kinsey, and Joyce Koch play an important role in managing the business and financial affairs of the annual staff.

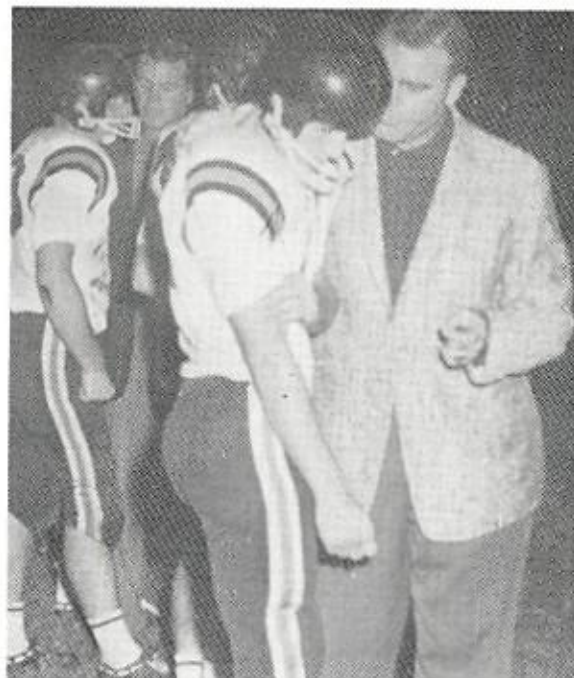

Mary Schaub, Golda Smith, Jeanne Cummings, Ginger Bradford, Renee Dyess, Anita Coward, Pat Wehring, Sherry Lawrence, Pat Sims, Margie Sims, Maky Nesbitt, Becky Donaldson, Betty Brown, Cynthia Summers, Mary Galbraith, Nelda Barton.

"There are two ways of coming close to poetry. One is by writing it, and the other is by reading it"—Robert Frost. This same idea may apply to the Crescent Staff and their attempts at writing copy and making layouts for the yearbook. First they write the copy; next, the sponsor, Mrs. Oran Bates, reads it—the staff members are required to revise the written copy. This writing and rewriting is only one of the tasks a staff member experiences while working on a book such as this. There are hours of time and work put in on tasks such as drawing layouts, aligning copy, raising money, interviewing students and teachers, searching for ideas, having fun. Only a person who has worked on a publication project such as this will understand and appreciate the finished book. True, the members of the Crescent Staff work hard and are often tired by their efforts, but these efforts bring a reward which will always be remembered. This reward is not in the form of a book but in the delight and happiness they experience when at last the book is published and distributed to the student body. This is the honor that comes from being a member of the annual staff.

A typical day in the Crescent Staff room!

Athletics

G.H.S. has been provided a well-rounded athletic program that consists of football, basketball, track, tennis, and baseball. From the first "kickoff" in the Fall to the last "out" in the Spring, Gatesville fans are backing their teams with an enthusiastic spirit. The students are avid participators in athletics not only as contestants but as supporters. This spirit encourages the teams to do their very best in representing their school in athletic events. Although we do not always excel in athletic contests, G.H.S. sportsmanship remains undefeated.

*The race is not to the swift, nor

Hornets Halt Panther

Gatesville turned loose a flood of classy backs to roll back an ornery Midway eleven, 36-20, as the '59 football sweepstakes got underway the first Friday night of the season. The first half was packed with alternating moments of exultation and anguish for Hornet supporters. The two clubs traded touchdown for touchdown in a toe-to-toe offensive duel. The Hornet offense looked crisp and sharp, especially so for early

Desperate Midway then started trying passes, but in the closing stages of the bout, they were effectively stopped by the Hornet's outstanding defense.

Coryell Fans Pick Most Valuable Players

Jimmy Gooch was selected "Most Valuable Lineman" of 1959 by the Coryell county fans. Because of his great ability to block, he was chosen to be on the Super-Centex team. He has been recognized as the anchor of the Hornet line and also the rough and rugged football captain of the team. He is a junior and will return to the Hornet line next year. Jimmy is consistent and stands out as a Gatesville High star.

Bob Edwards, a prominent Hornet star because of his perseverance and determination, was selected as the "Most Valuable Back" for the 1959 Hornet team. Bob led the team in his fullback position as a triple threat with his outstanding ability to run, pass, and kick. Bob scored more points for the team than any other player; he was first in his punting ability and second in yards gained on the ground.

FIRST ROW: Benny Bankhead, Bill Nesbitt, Pat Roach, Danny Shepherd. SECOND ROW: Larry Bond, James Morris, Billy Blanchard, Rodney Powell, David Martin, John Galbraith. THIRD ROW: Tommy Yows, Eugene Bond, Coy Vernon, Charles Bales, John Hodge, David Bell, Cecil Bartlett, Phillip Zielger.

"B" Team Players Are Tomorrow's Hopefuls

The "B" team has put in many long and tiring hours below the hill to achieve a most successful season. Success in the victories on the score board, success in the valuable experience gained, success in self-discipline are among the things which made this year of '59 one to be remembered.

David Bell pushes for more yardage as he receives valuable blocking from a teammate.

Managers
SHERRY LAWRENCE and PEGGY SASSE

The managers are a vital part of the Hornette basketball team. Among their duties are putting out the balls and jump ropes at practice, keeping academic records on each girl, keeping game records, keeping uniforms in good repair, and running the pop-corn machine. Sherry and Peggy are examples of the fine girl sports representative of G.H.S. in that they are well liked by the student body.

J. D. WARREN and MRS. ARLENE MARTIN

Coach Warren's and Mrs. Martin's job includes more than that of instructing a group of girls on playing basketball at fifth period each day. Theirs is a duty that includes chaperoning the girls on basketball trips, giving the girls special counseling, giving medical aid, making the schedules, and being in charge of the money made. This job truly requires much time and patience on the part of Coaches Warren and Mrs. Martin.

Hornets Close Season With Victory

The "A" team of '60 is an outstanding example of sportsmanship. Basketball develops leadership qualities and a sense of responsibility for each player toward his team, school, and classmates. These qualities are important in adjusting a player to accept authority and discipline. To work as a team and not an individual is the goal of successful players.

The Gatesville Hornets closed out their home season by defeating Clifton in a non-conference contest.

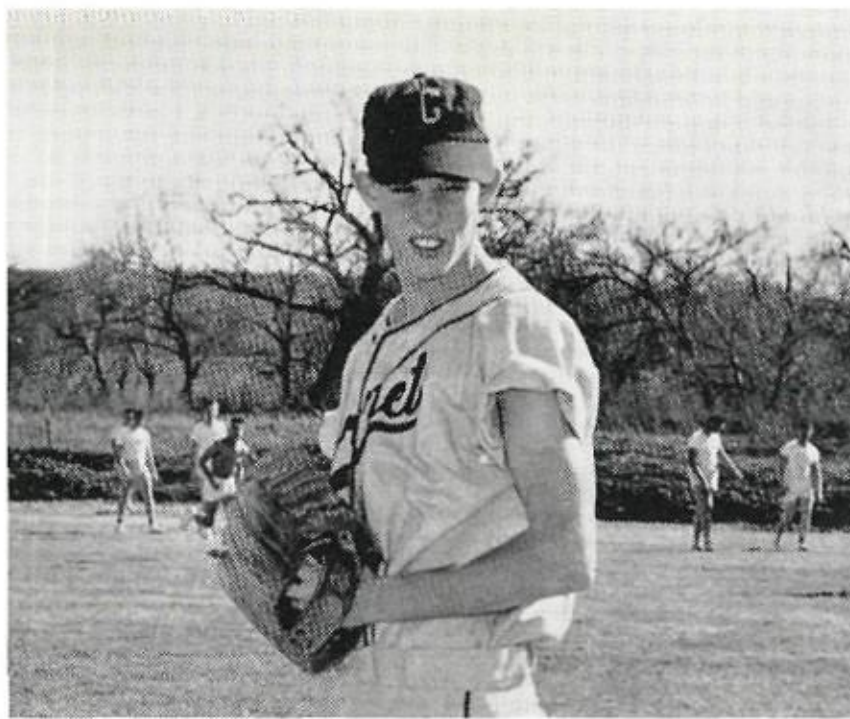

BACK ROW: Manager Don Jones, Kenneth Schaub, Frank Shelton, James Wright, John Galbraith. FRONT ROW: C. R. Culp, Bill Nesbitt, Bob Brown.

Freshman Team and Golf Team Win Honors

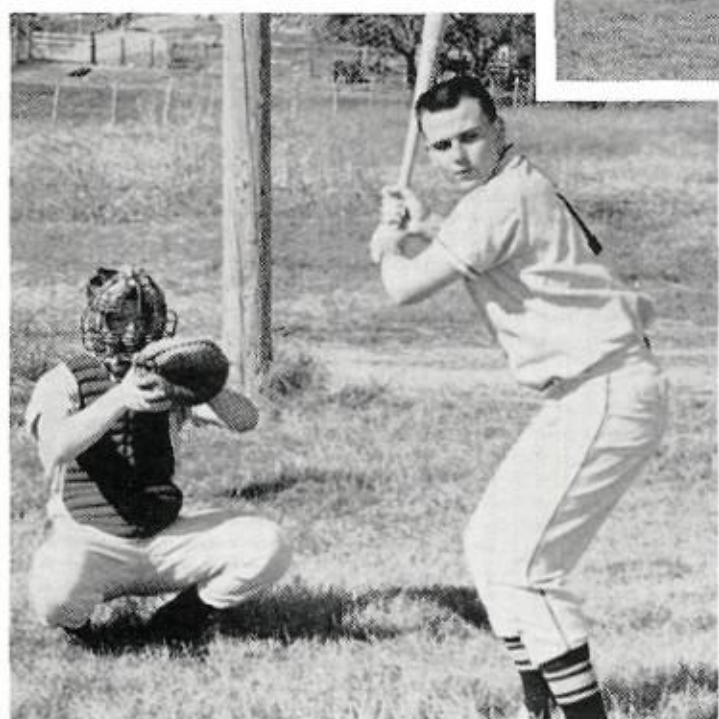

Danny Shepherd, Bill Nesbitt, Johnny Jones, Joe Jones, Coach Langford.

This year's baseball team has all of the aspects of repeating its championship. It is alive with vigor and enthusiasm and ready to achieve its goal.

Billy Soltow is warming up before an important game.

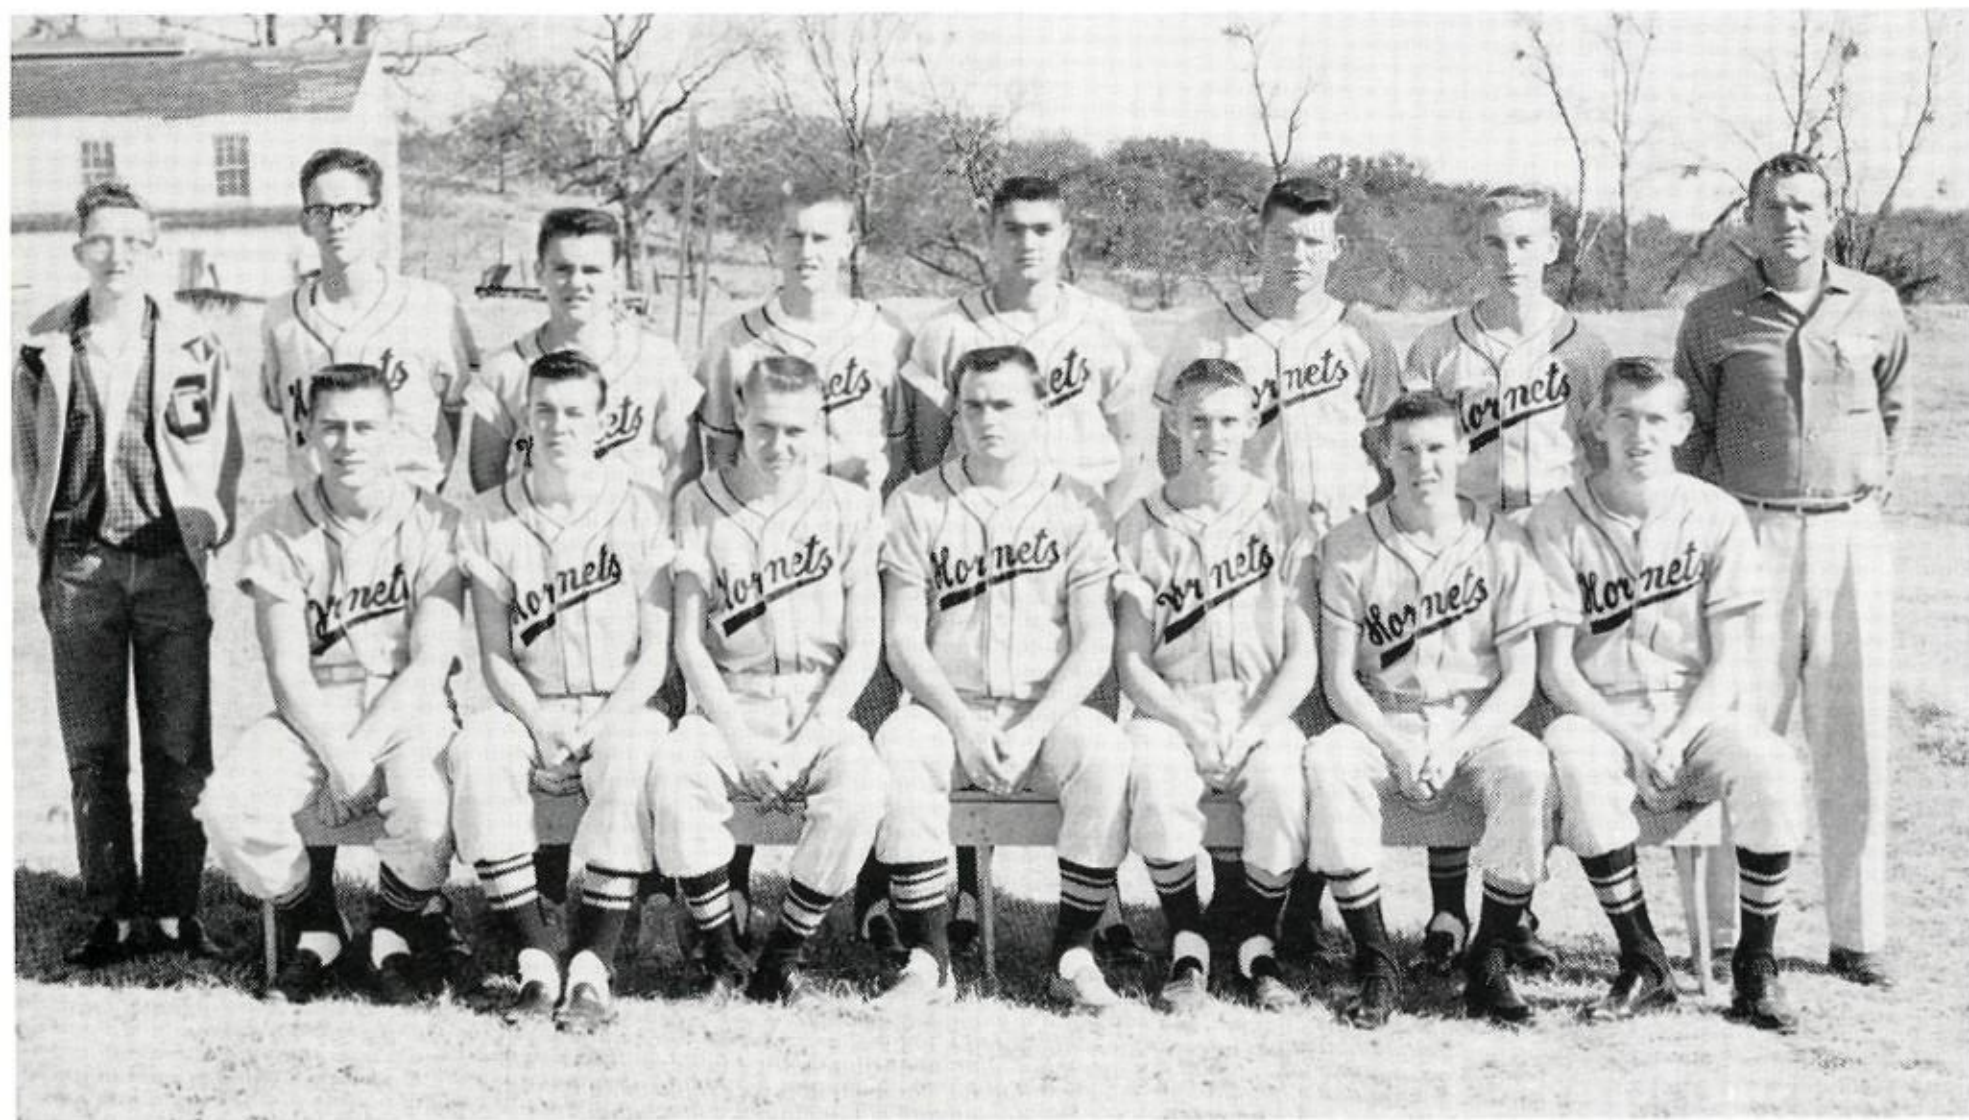

The game depends on Bob Edward's ability to make a hit.

Their turn at bat is coming up next.

Baseball Team Fights for District Championship

FIRST ROW: Bert Floyd, Jimmy Lehmberg, Jimmy Miller, Bob Edwards, Billy Soltow, Sammy Cockrell, John Riley. SECOND ROW: Joe Taylor, John Meadows, Jackie Miller, Jackie Dixon, David Bell, Odis Nichols.

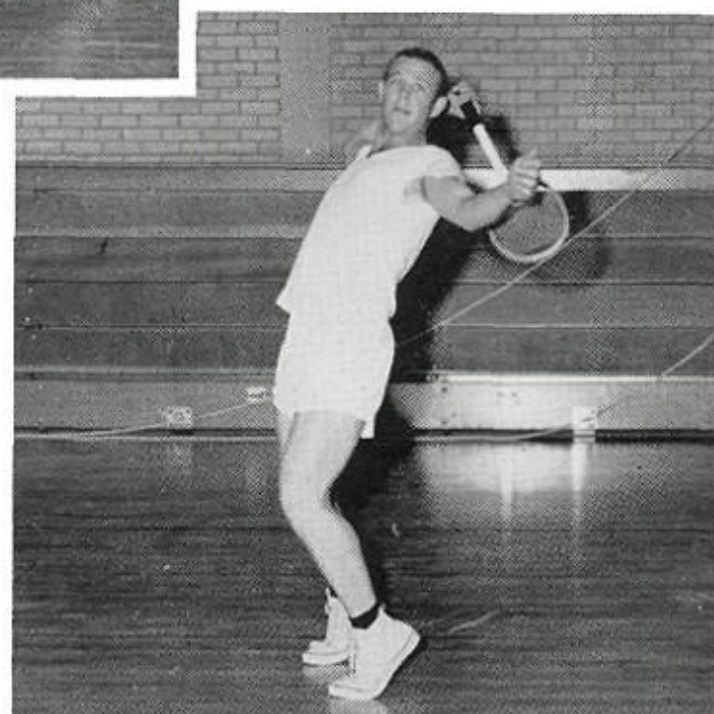

Gatesville's tennis team is alert and energetic as they compete with stiff competition in preparation for the district meet.

Virginia Bradford prepares for a district tennis meet.

These tennis partners do their best to win this game.

Quinton Pearce works at his goal to be a tennis "Champ."

Take Track

Joe, Danny, and David start off on the right foot for a season of track.

Coy, Duane, and Jerry are breathless as they complete a 100-yard dash.

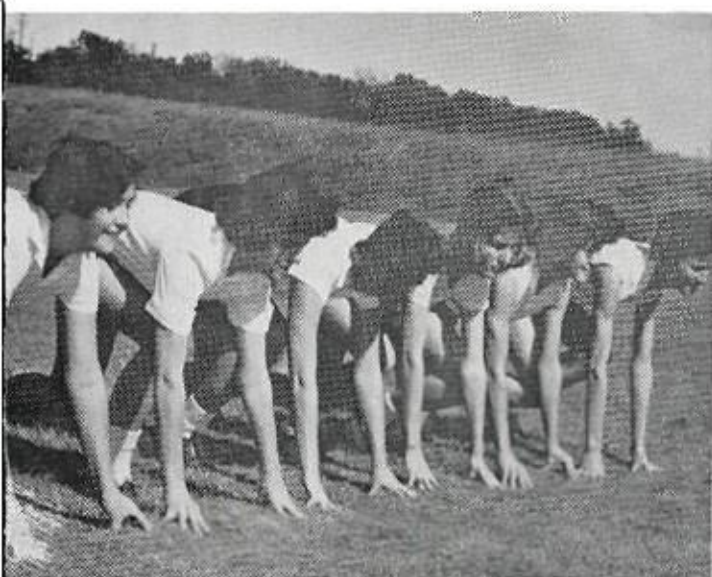

COACH AL LANGFORD

Coming after basketball to give a variety of sports, track is welcomed by all participating in athletics. Track is a healthful recreation as well as a sporting event. It serves to develop muscular coordination as well as physical fitness. There are many track events in which the boys participate.

Nancy Brown, Phyllis White, Waldine Mack, Mrs. Martin, Dora Patterson, Ladell Bartlett, Golda Smith, and Mr. Warren.

Travel Fast

These track girls anxiously await the beginning whistle for a dash.

Dora Patterson is demonstrating her skill at broad jumping.

Each Spring after basketball season, the girls basketball team participate in field and track events. This helps them to develop speed and body coordination. Each year they participate in an invitational Sports Day at Baylor University in which track is one of the main events.

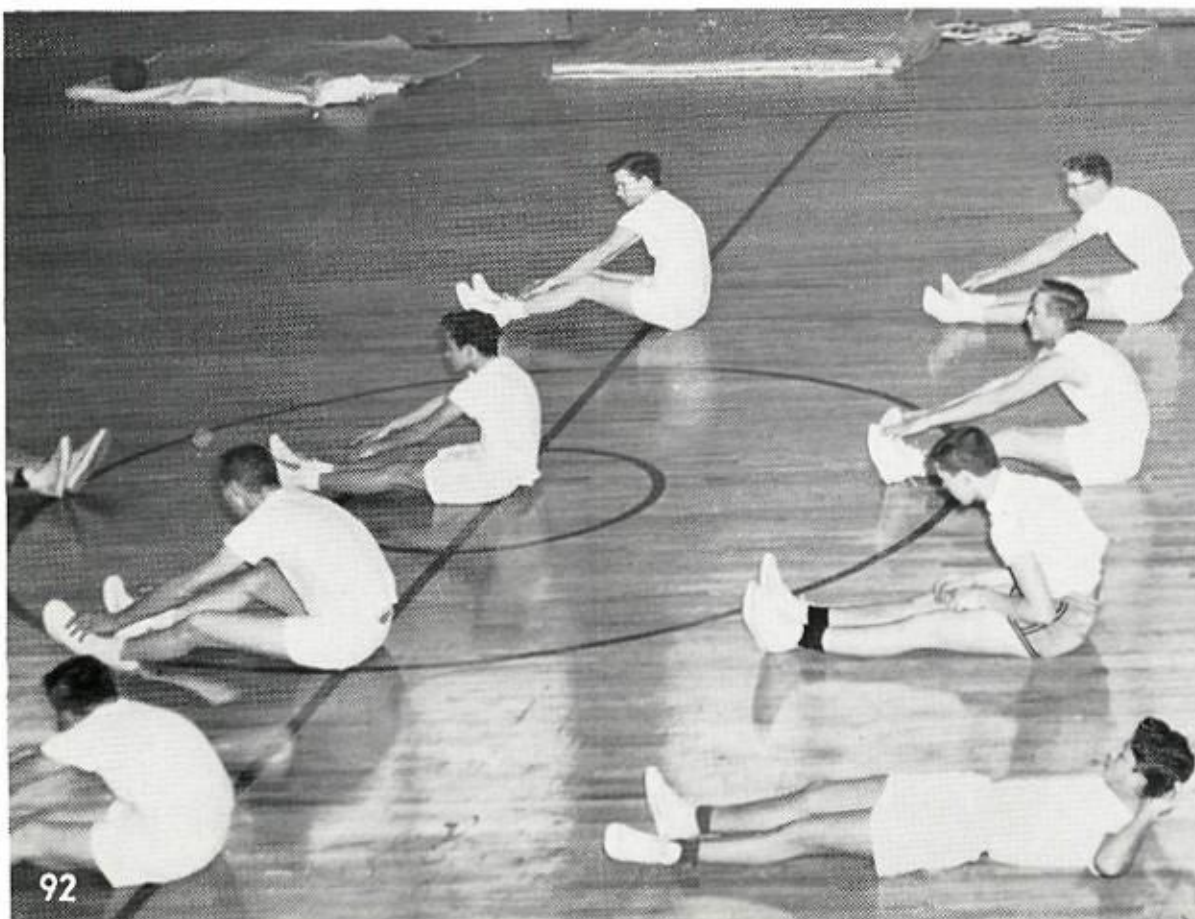

Phyllis White is shown handing off the baton to Waldine Mack during a relay race.

Boys' P.E. Empha

Coach Neucom instructs boys' physical education classes throughout the day. He is well qualified to teach the games, exercises, and health classes which are a part of physical education.

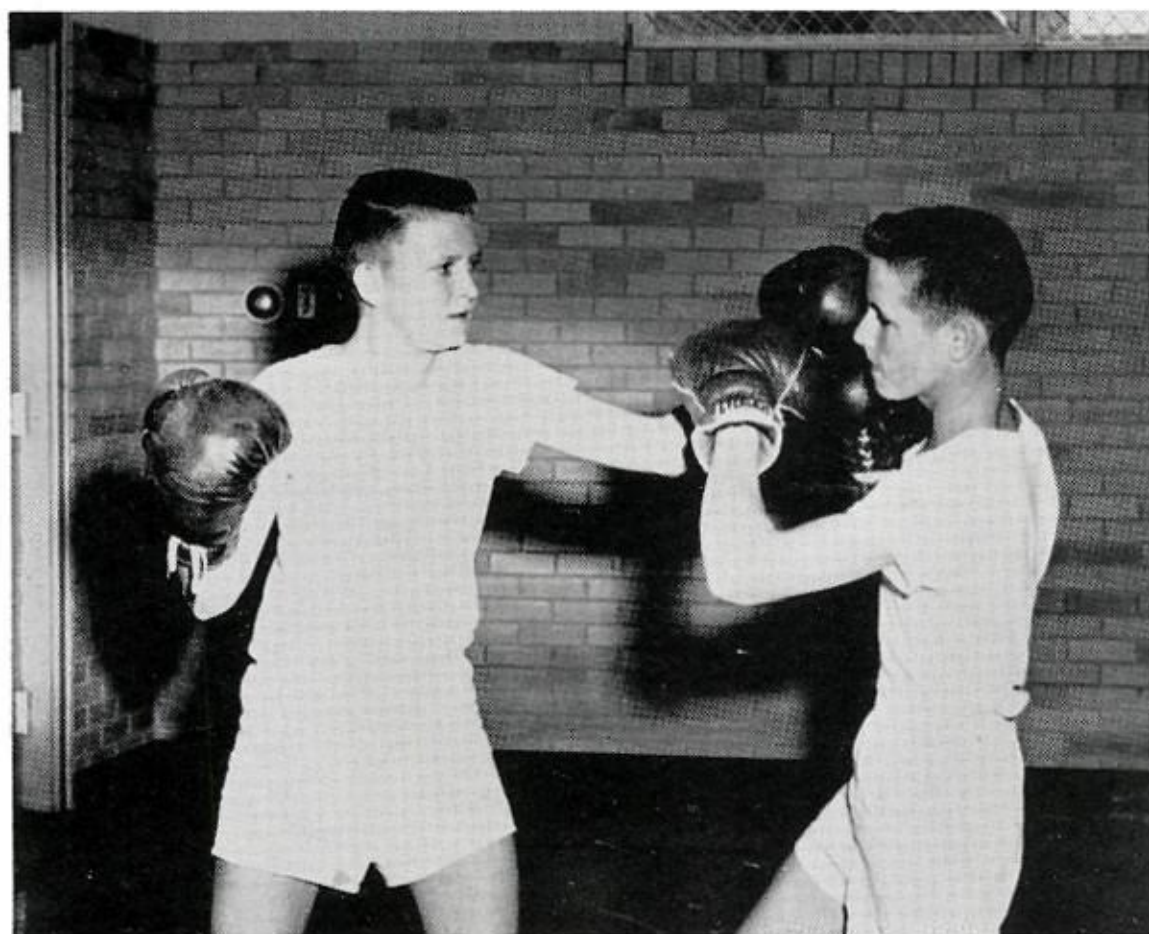

Volleyball is a favorite sport with these physical education boys. They learn the rules of the game and then put them into practice.

This boys' physical education class is shown in the regulation uniform which consists of white shorts and white "T" shirts. They are putting into practice the exercise they have learned.

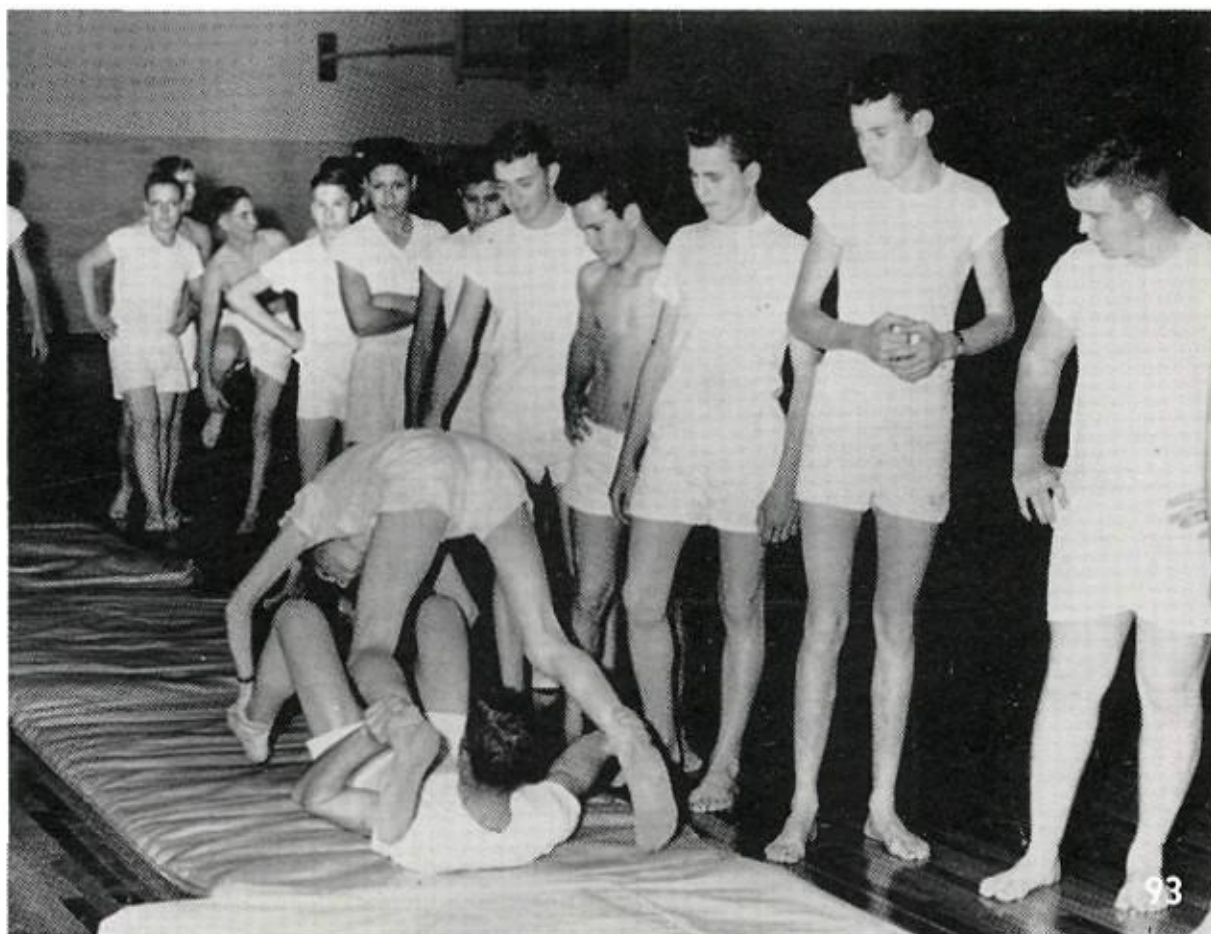

izes Physical Development

The boys of this health class seem interested as they observe the first aid practices being shown them by one of the students. They will in turn practice the first aid.

These boys are developing their physical strength as well as good sportsmanship. They are taught rules and special techniques of the boxing sport.

These physical education boys watch with interest as two of their fellow students demonstrate an ankle and wrist roll. Many variations of tumbling are featured in the physical education classes.

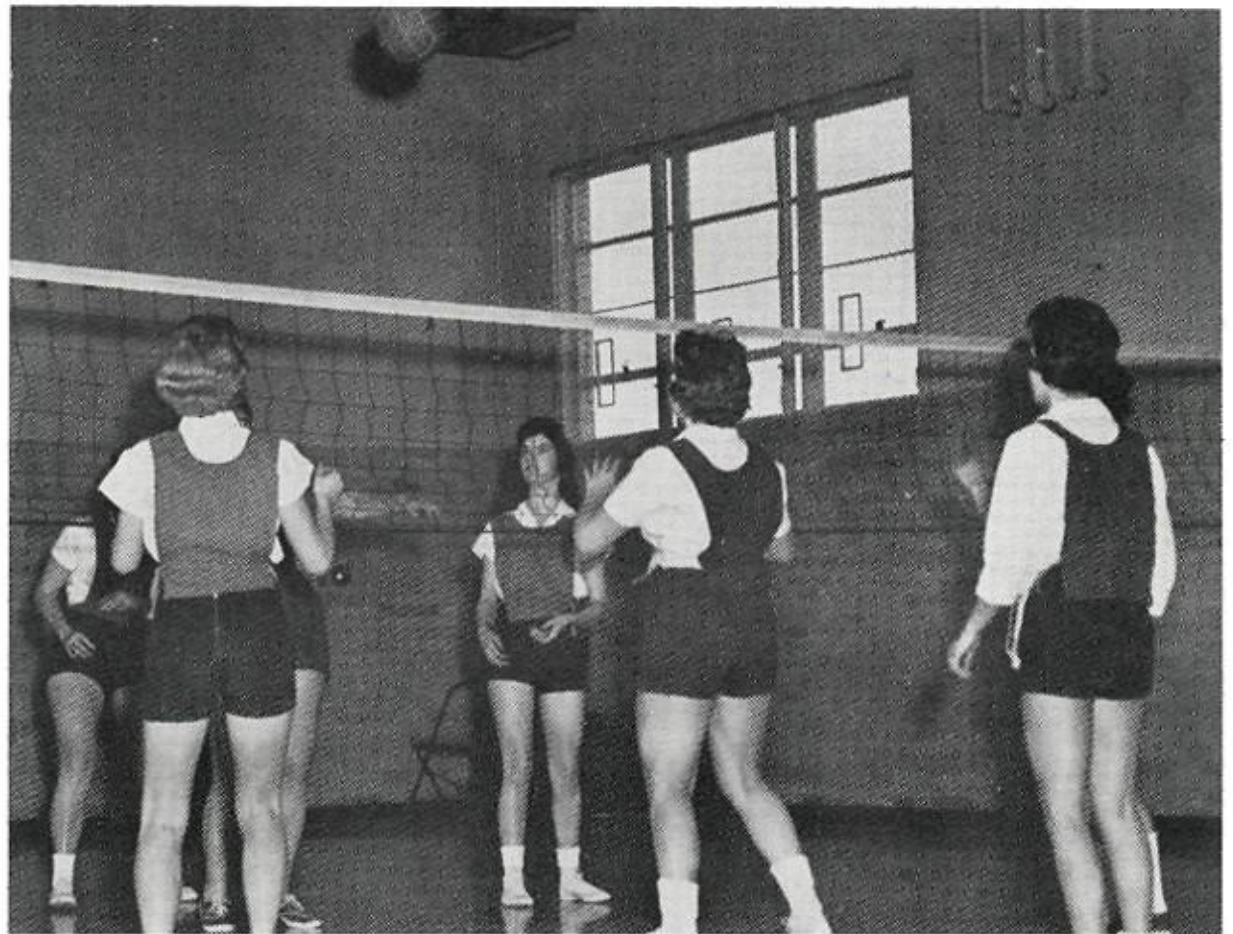

Girls' P.E. Classes

Mrs. Arlene Martin instructs four physical education classes each day. One day a week is spent in teaching health education.

Volleyball is one of the many games that is learned during the year in P.E. This game is being played in the girls' P.E. room.

Co-ordination and good posture are being developed in this tumbling exercise. It is a head stand and requires good balance.

Enjoy New Facilities

First aid is being learned and practiced by these three physical education students.

In addition to learning the rules of a game, such as badminton, good sportsmanship is also encouraged.

There is a reason for learning each exercise, and this particular exercise helps strengthen the stomach muscles.

Classes

G.H.S. provides a sound foundation for the future of its graduates. The course of study followed by students at G.H.S. is so planned to provide a basic knowledge in several fields of study. Required courses consist of instruction in English, social science, and basic math and science. Electives offered allow the student to select studies related to the field which interests him most—courses in advanced math and science, vocational training, and business education. This wide selection of courses gives the student ample opportunity to prepare himself for his future after high school, whether his plans include continued study or immediate entrance into his chosen career.

SENIOR SPONSORS: Mrs. Nerine Kinsey, Miss Louise Hall, Mrs. E. C. Wright, Mr. Abram Prince, Mr. Lloyd Mitchell, Mr. S. L. Adams, Mr. Al Langford.

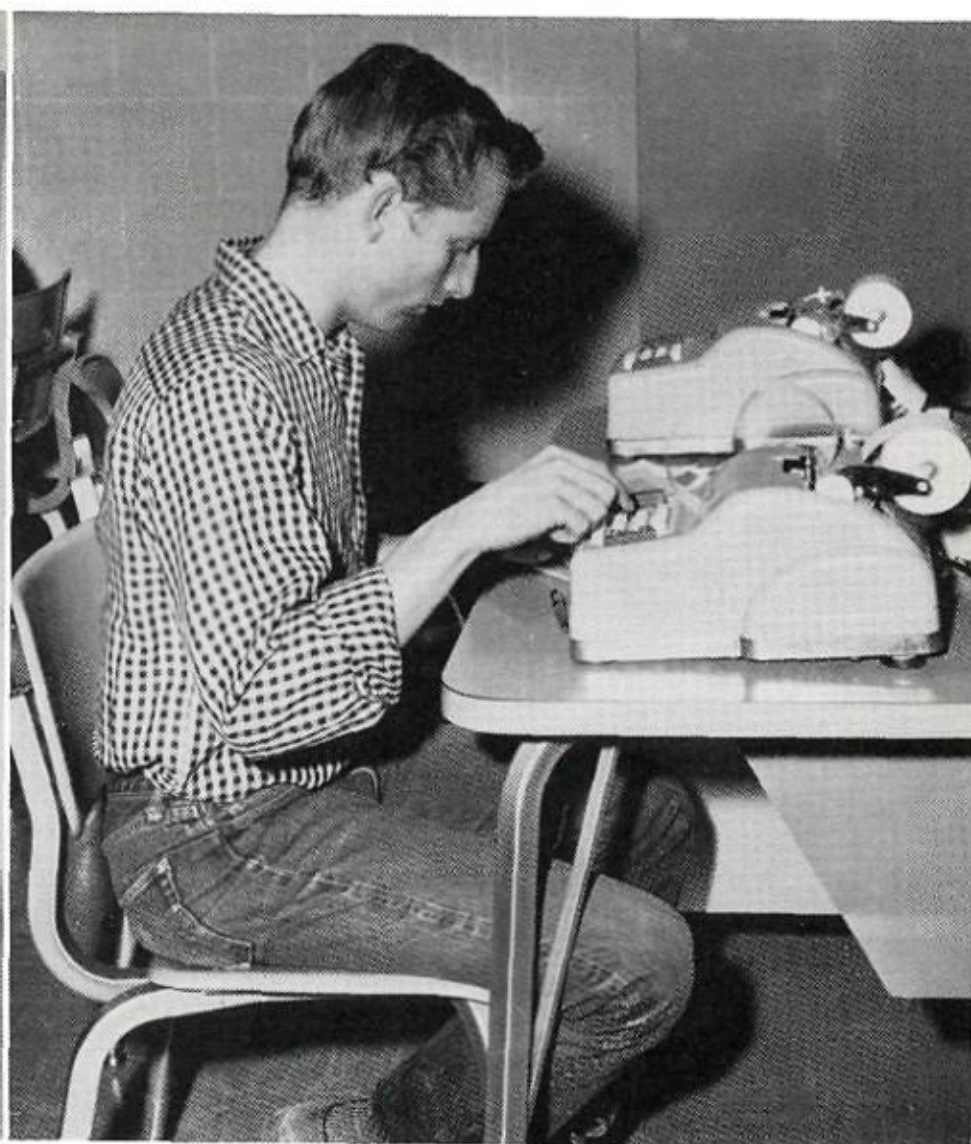

For the past four year THE SENIOR CLASS OF 1960 has worked toward the goal of graduation. The TIME of this achievement is near fulfillment. Looking back over those years and looking forward to the future, we find the tears of fond memories mingling with tears of joy.

Our SENIOR year, especially with the senior play, name tag sales, concessions at football games, and the senior trip, holds memories for each SENIOR.

As we graduate we are challenged to be something in life, to put to use the knowledge we have gained these past twelve years. With this background acquired at Gatesville High School, THE SENIOR CLASS OF 1960 is ready to accept this challenge.

Girls taking senior homemaking are instructed in home and family relations as well as cooking and sewing; these phases of homemaking are helpful to the girls in preparing for their future. Mary Jo Ayres helps Bettie Worthington hem her garment in order to finish by grading time.

One of the business courses offered to seniors is bookkeeping. The complete bookkeeping cycle is learned and a general knowledge of other business procedures is gained. Jimmy Schaub is making the final check on his practice set.

Seniors Meet Stiff Requirements

Mary Catherine Winslar is helping Betty Brown and Sherry Lawrence set up the pulley equipment for their problem in physics class. Physics is a course open only to seniors in order to prepare them for college.

Joe McCoy demonstrates to the class his understanding and knowledge of the problem in solid geometry. Courses in trigonometry and algebra II are also offered to seniors interested in higher math.

Juniors

JUNIOR CLASS SPONSORS: Mrs. Meharg, Mrs. Martin, Mrs. Whitt, Mr. Henry, Mr. Warren, Mr. McClelland, and Mrs. Bates (seated).

As a new school year begins the JUNIORS find themselves in a whirlwind of excitement, for new experiences and new duties await them.

These duties begin with the selection of two junior boys as the president and vice-president of the Student Council. The honors do not stop there, for there are juniors actively participating in the Spanish Club, Latin Club, Library Club, Hornet's Nest Staff, Crescent Staff, Future Homemakers, and Future Farmers.

There are others who share in these new experiences and do their part in promoting school spirit—members of the band and the cheerleaders. This class boasts the greatest number of players on the football squad and the basketball squad.

The highlight of the junior year is the junior-senior banquet and prom.

Even though the juniors work enthusiastically in various activities and organizations, they still are required to take five courses.

Truly, a life of excitement and new experiences!

Sophomores

SOPHOMORE SPONSORS: Mrs. Clyde Bailey, Mr. Max Newcom, Mr. Don Dorsey, Mr. Bill Scoggins, Mrs. Marshall King, and Mrs. Crawford Scott.

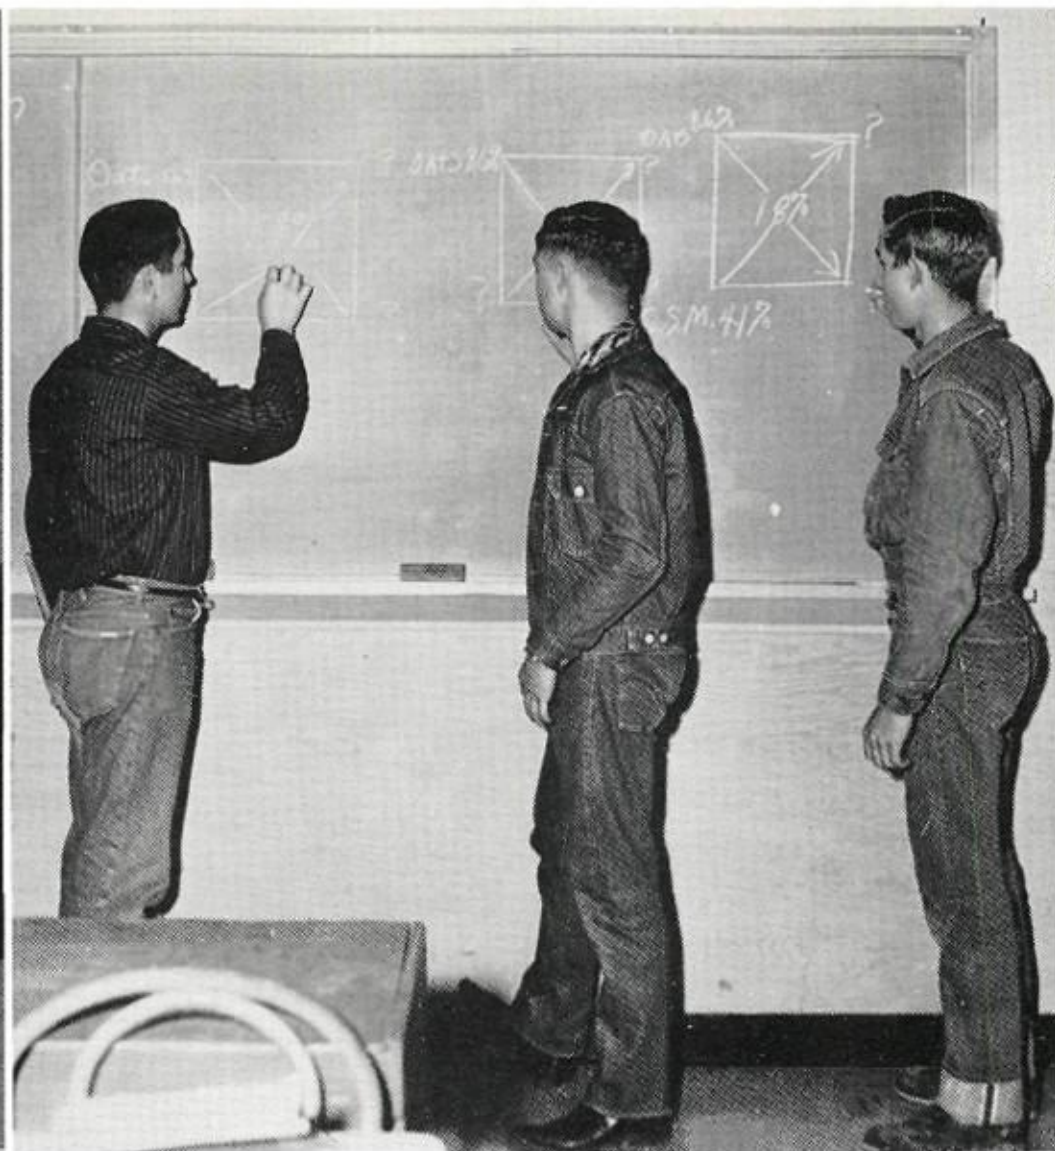

The proud and eager SOPHOMORE Class has passed one more milestone toward their main goal—graduation.

Their aim is to be a part of the entire school organization. In following this aim, they are well represented in clubs; they boast a cheerleader and a majorette; and a large percentage are in the high school band. In the athletic fields of basketball and football, the boys take an active part. The class as a whole gives its support to all school functions.

As time passes on, Gatesville High School grows old and majestic, but the spirit and enthusiasm of its students never grow old. This class does much to add to this spirit and will continue to do so in their remaining high school years.

Biology, the science of life, is seen best through the microscope. Doris Dudark studies a slide before getting a close-up of it. In the biology lab students have a chance to apply their knowledge.

Vocational Agriculture is important to our future farmers in crop and animal raising. Dewayne Martin, Royce Chambers, and Duane Gillmore are calculating the percentage of oats in feed.

Freshmen

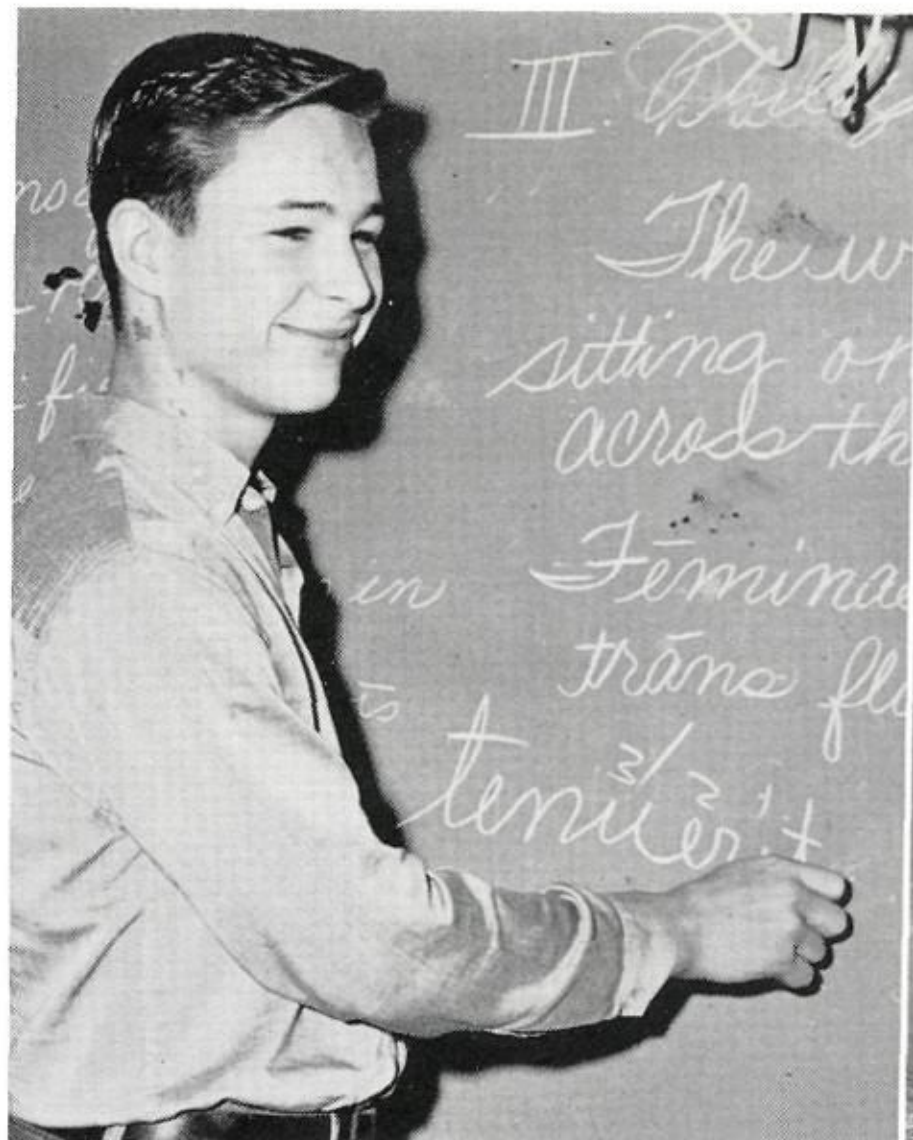

FRESHMAN CLASS SPONSORS: Mr. C. D. Boyer, Mr. J. O. Winslar, Mrs. S. L. Adams, Mr. C. S. Hereford, Mrs. Alfred Hopkins.

The FRESHMEN are now beginning a new era in their lives. The first year in high school brings new changes as well as challenges. Starting with the freshmen year, the students receive five credits toward the twenty needed for graduation.

The main project of the class is to sell magazine subscriptions. A record sale was made in two short weeks. The freshmen are eager to participate in school activities and are well represented in sports, clubs, and honor positions.

Pep Rallies, school dances, and banquets are some of the new activities to which the freshmen are introduced. As the year passes, they realize that in the future years of their high school days it is up to them to promote the loyalty and high ideals for which Gatesville High School stands.

Latin I students learn the basic fundamentals of a foreign language.

Administration

The high school administration is composed of a group of qualified men and women who are completely dedicated to their chosen profession. They contribute their time and effort to the student body of Gatesville High School, hoping that through their leadership and guidance the students will gain in knowledge. These high school teachers not only emphasize academic work but also the importance of our American heritage and the individual in our society. G.H.S. teachers sponsor classes and clubs and participate in many school activities. This provides a closer student-teacher relationship.

Mr. McKamie Realizes Life-Time Ambition

MR. L.C. McKAMIE
M.A., BAYLOR UNIVERSITY
Superintendent of Gatesville Public Schools

For the past twelve years, Mr. L. C. McKamie has served in the capacity as superintendent of the Gatesville Independent School District. Because of his untiring efforts, the students and teachers are privileged to be a part of a new high school building, which is a symbol of his outstanding contributions to the youth of Gatesville. Ready on all occasions to give of his many talents and abilities, Mr. McKamie has endeared himself to all who know him.

Mr. McKamie is very active in civic affairs. He can be counted on to participate in all worthy causes and he gives freely of his spare time to help Gatesville grow. Among his other accomplishments, Mr. McKamie is a member of the Lions Club, and the Chamber of Commerce; he is also an active member of the First Methodist Church.

The faculty and student body salute Mr. L. C. McKamie as Gatesville's

"MAN OF THE YEAR."

MR. S. L. PRUITT
M.A., Texas Tech
High School Principal

Mr. Pruitt begins his school year by helping to select new teachers and by setting up the students' schedules. During the year the daily average attendance records and discipline of the students are two of his responsibilities. As a friend of the students, Mr. Pruitt always has their interests foremost in mind.

School Board Achieves Goal

MR. J. T. DAVIDSON; MR. JIM ERWIN; MR. R. D. FOSTER, SR., Vice-President; MR. O. N. HIX, President; MR. L. C. McKAMIE, Superintendent of Gatesville Public Schools; MR. JOHN FRANK POST, Secretary; DR. T. R. WILLIAMS; MR. BILL SMITH (not pictured).

The Gatesville Independent School Board is the most active group of men in our community. Many long hours are spent by each man in attempting to better our school in every way.

Obtaining a competent school staff, composed of a superintendent, three principals, and many classroom teachers, paying of bills that are in order, selecting of furniture, and deciding upon repairs to be made are decided by the board members. Of course, the highlight of their duties for the past several years has been the construction of the new high school building.

P.T.A. Presents Portrait of Mr. McKamie to School

STANDING: MRS. RAYMOND FLOYD, Third Vice-President; MRS. JOE BOONE, Fourth Vice-President; Mr. O. D. BATES, Elementary Principal; MRS. BERT FLOYD, Second Vice-President; MR. L. C. McKAMIE, Superintendent; MR. T. W. BRUMBALOW, Junior High Principal; MR. S. L. PRUITT, High School Principal. SEATED: MRS. ROY PHILLIPS, Treasurer; MRS. OSCAR BRATTON, First Vice-President; MRS. NORRIS SMITH, Secretary; MRS. BILLY MANNING, President; MRS. OLLIE LITTLE, Historian.

Gatesville's Parent-Teacher Association plays a big role in promoting good relations between teachers, parents, students, and the general public. These interested parents are indispensable in the organization of such a complex business as our school.

The Parent-Teacher Association's Executive Council—comprised of the elected officers, the principals of the three schools, and Mr. McKamie—plan a program of activities for the year. Some of these activities are a chili supper, concessions at Homecoming, Education in Family Interests, and a talent show in the spring.

Snapshots

Emotions of many natures are found and revealed in the life of G.H.S. as disclosed through snapshots. One finds these contrasts in emotion in the following pages of "snaps." Joy may be found in the crowd as the Hornets push over for another touchdown contrasted with sorrow as the Hornets miss district co-championship by one game. Seriousness as shown in the patriotic program presented by the speech class is contrasted by the foolish participation in the donkey ball game. Formal and informal sentiments are represented at the banquets and honor dinners as well as the informal parties so well known of G.H.S. Pride and regret can also be found creeping into the life of students at Gatesville High School—pride in a high grade or an honor won; regret for wasted time.

*Our yesterdays follow us;
They constitute our Life,
And they guide character
And force and meaning
to our present deeds.*

Is this a new cha-cha step, Bill?

As the clock of time ticks off another school year and another Crescent is published, you the reader, must stop to realize that the success of an annual does not rest entirely upon the Crescent Staff. The Advertisers and Boosters truly make the difference in a successful or unsuccessful annual. These businessmen show through their unselfish contributions the spirit of co-operation. Without the loyal support of the Crescent Boosters and Advertisers, you would be unable to enjoy this annual. We, the Crescent Staff members wish to extend to each of you a heart-felt "Thank You."

Crescent Report

A YEAR AGO . . . the beginning of our Crescent story . . . selection of new staff members, editors, and business managers brought renewed interest for the 1960 Crescent. Spring activities were surging—the senior play, junior-senior banquet, western day, father-son banquet, mother-daughter tea, junior sock hop, and graduation.

BEFORE WE KNEW it, it was May . . . There was a feeling of sadness and anticipation among the student body—They were leaving the old high school building which held many fond memories—Then in September they were to move into one of the most modern, well-equipped high school buildings.

IT WAS a hot summer . . . Work continued on the new high school building. Some of the students were busily engaged in sporting activities, social events; some were even working at various jobs.

THEN IT WAS September again! A new high school building awaited the student body! There they were 114 gawking freshmen, with lost looks on their faces; 110 sophomores groping blindly from one class to another; 113 juniors picking up “loose ends” to prepare for their final high school year; and 80 seniors realizing for the first time they would soon be facing the future on “their own.”

WE LIVED FROM Friday to Friday—thrilling to cheering crowds, marching music, and outstanding plays on the gridiron. School interest continued to rise in assembly programs, the FHA Carnival, and banquets . . . Then it was Christmas—two short weeks—followed by mid-terms.

SECOND SEMESTER AND registration! Students vowed they would buckle down to get the most out of their classes. Then basketball, baseball, track—all the spring activities were in full swing.

ONCE MORE GATESVILLE HIGH SCHOOL had been named one of the outstanding schools of the state!

AND NOW OUR final shipment for the 1960 Crescent.

Our Last Word . . .

We and our senior co-workers—Nelda Barton, Virginia Bradford, Betty Brown, Anita Coward, Jeanne Cummings, Charlotte Derrick, Becky Donaldson, Renee Dyess, Mary Lynn Galbraith, Donald Green, Sherry Lawrence, Mary Margaret Nesbitt, Mary Schaub, Margie Sims, Pat Sims, Golda Smith, Cynthia Summers, and Pat Wehring—wish to express our appreciation to the student body, administration, advisors, and boosters for their invaluable support, encouragement, and cooperation. There also goes a vote of thanks to Mr. Prince and his photography club, composed of James Pfeffer, Joe Jones, Dickie Moreland, Sam Huey, Charles Fisher, and Troy Johnson. To the junior members of our annual staff, who played an important part in the financing of the CRESCENT by selling spirit ribbons, we give credit where credit is certainly due.

We also would like to express our appreciation to our understanding and inspiring sponsor, Mrs. Bates.

The above mentioned were indispensable in our having ready for you—your 1960 CRESCENT.

Your Editors,

Linda Dorsey
Carla Blum

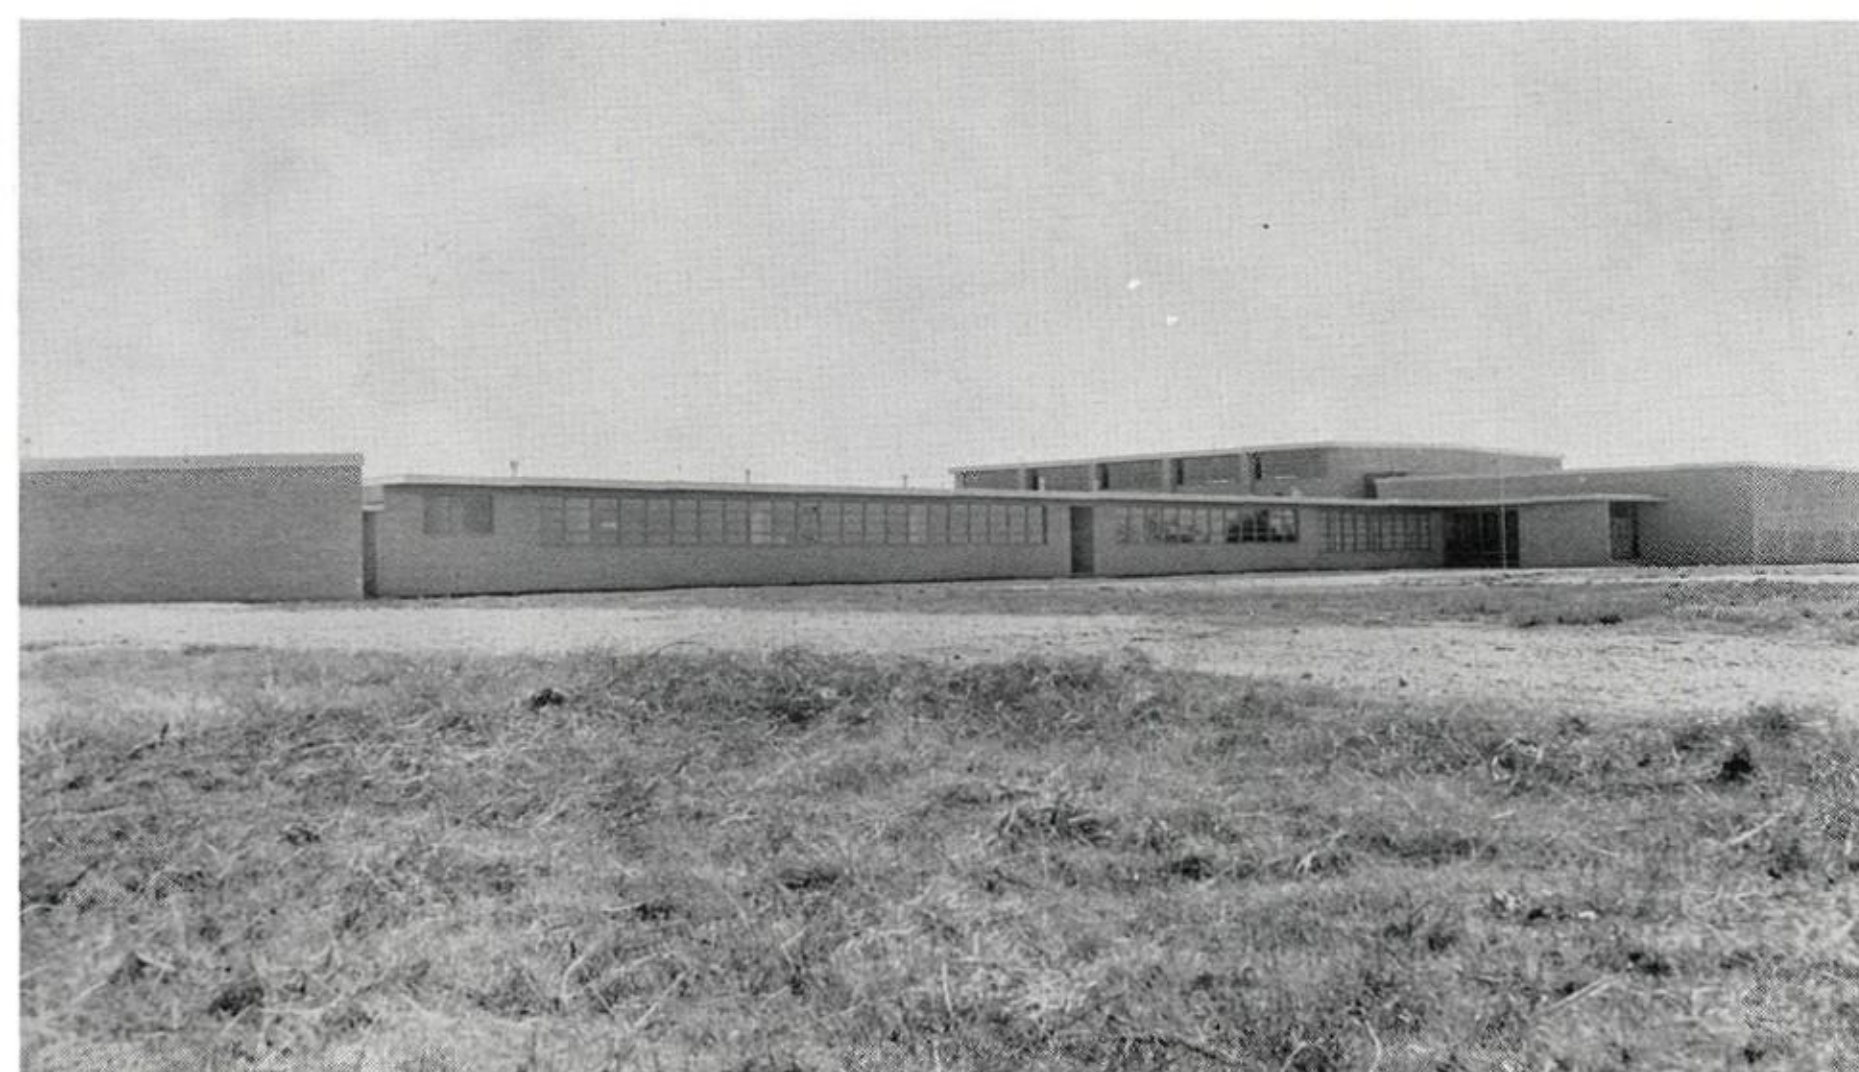

Your Business Managers,

Barbara Kinsey,
Joyce Koch
